Executive Insights

Top Revenue Product Category

Health & Beauty generated the highest revenue among all product categories.

Top Customer State

São Paulo (SP) contributed the highest number of customers and revenue.

Top Seller State

São Paulo (SP) has the highest concentration of sellers and contributes the largest share of sales.

Best Rated Product Category

4.1 is the highest average customer rating.

Most Preferred Payment Method

Credit Card is the most frequently used payment method, with many customers choosing installment payments.

Delivery Performance

The average delivery time is 12.5 days, indicating overall logistics performance.

Business Recommendations

- Invest more in Health & Beauty (or your top category) to maximize revenue.
- Expand seller coverage beyond São Paulo to reduce regional dependency.
- Improve delivery times in slower-performing states.
- Replicate the practices of the highest-rated product categories across other categories.
- Continue promoting installment payment options to support higher-value purchases.
